2010 EDMONDS WATERFRONT FESTIVAL
JUNE 4-6, 2010
PORT OF EDMONDS MARINA

We Invite You to Become a Sponsor

Becoming a Sponsor of the popular Edmonds Waterfront Festival is a positive and important investment in your market and community. Each year, the Rotary Club of Edmonds proudly presents this very special event as the centerpiece of the club's annual community fundraising efforts.

Proceeds from the Waterfront Festival have allowed The Rotary Club of Edmonds to support local projects, organizations and services such as:

- The renovation of the Boys and Girls Club
- An annual Christmas shopping opportunity for underprivileged youth
- Edmonds Community College Endowment
- Cascade Symphony Orchestra
- Edmonds Historical Museum
- Rotary First Harvest
- Rotary Homeless Youth Foundation
- Cascade Youth Symphony
- Rotary International Youth Exchange program
- Edmonds 4th of July celebrations
- Center for the Performing Arts
- Student-of-the-Month Awards and scholarships for Meadowdale HS students
- Scholarships for Edmonds-Woodway and Scriber Lake HS students
- Snohomish County "Coats for Kids" program
- YMCA Partners with Youth Scholarships
- YWCA Pathways for Women
- ... And much more.

The services Rotary Club of Edmonds supports, and the projects its members commit their time to, have lasting, positive effects reaching well beyond the immediate community. We believe sponsorship offers businesses and individuals a chance to promote enormous goodwill, and at the same time provides a wide variety of positive marketing benefits to local, regional or national business.

It takes a vital community to support events such as The Edmonds Waterfront Festival. Edmonds is an exciting, vibrant family community, which has helped to make this festival more popular with each passing year. The festival is one of the three major events in the areas, and the first event of the summer season in one of the most beautiful Northwest seaside destinations.

Without our sponsors, vendors and community, this special event and programs it supports would not be possible. Please join as a valued sponsor of this year's festival and **help make a difference in 2010.**

To become a Sponsor of the 2010 festival, please read the following materials.
